

Privacy Policy

Last Updated: May 13 2025

FestivalGoddess ("the App") respects and protects the privacy of all users. This policy outlines how your data is handled within the App.

1. Data Handling Principles

- All user data (e.g., photos, text, audio descriptions, favorites) is **stored locally** on your device.
- We **do not collect, upload, or analyze** any personal data or user activity.
- There are **no online servers, no cloud backups**, and no third-party tracking.

2. User Content

- Any content you upload via "My Festival Style" (photos, text, or audio) is kept **entirely on your device**.
- The App has **no social, sharing, or commenting features**, ensuring your data remains private and personal.

3. Required Permissions

FestivalGoddess may request the following permissions:

- **Photo Library Access:** To allow you to select a photo for your festival style or profile;
 - **Camera Access:** To take new selfies;
 - **Microphone Access (optional):** To record voice descriptions.
- These permissions are only requested **when you actively use the related features**.

4. Protection of Minors

While FestivalGoddess is suitable for all ages, we recommend **children under 13 use the App under parental guidance**. Some festival visuals may include adult makeup styles for cultural presentation.

5. Policy Changes

We may update this Privacy Policy from time to time. You will be notified of major changes within the App. Any changes will continue to respect the local-only and private nature of your data.
