

Name:

Primary Source	Who created it?	List 3 facts you know about who created the source and why?	According to this source, why did all-white nursing schools and institutions begin to accept Black nurses?

**Based on everything you've studied today, why did all-white nursing schools and institutions begin to accept Black nurses? Include 2 pieces of evidence from primary sources and explain in your own words how they support your argument.**

Skill	Mastery	Proficient	Developing	Emerging
<b>Claim</b> I can write a claim that addresses a prompt.	Provides a clear thesis that includes: <ul style="list-style-type: none"> <li>• Language drawn from the prompt</li> <li>• An argument with <u>specific language</u> in response to the prompt</li> </ul>	Provides a thesis that includes: <ul style="list-style-type: none"> <li>• Language drawn from the prompt</li> <li>• A clear argument in response to the prompt</li> </ul>	Provides a thesis that is missing one of the following elements: <ul style="list-style-type: none"> <li>• Language drawn from the prompt</li> <li>• A clear argument in response to the prompt</li> </ul>	Provides a thesis that is unclear and/or is not in response to the prompt.
<b>Evidence</b> I can provide relevant and supportive evidence.	Provides strong, carefully selected evidence that supports the claim and is properly cited	Provides evidence that provides relevant support for the claim but evidence is either: <ul style="list-style-type: none"> <li>• Not properly cited</li> <li>• Could have been selected more carefully</li> </ul>	Provides evidence, but unhelpful, unquoted, and/or not properly cited	Provides no evidence
<b>Reasoning</b> I can explain how my evidence supports my claim.	Provides a strong explanation that explains evidence and links to the point	Provides an explanation that discusses how the evidence supports the claim, but the evidence itself is not thoroughly described.	Provides a weak explanation of evidence that doesn't link to the claim	Provides no explanation of evidence
