Melody Fields said of the single, *"Drawing inspiration from iconic bands like **Primal Scream** and **Happy Mondays**, the track transports you to the glory days of early 90s dance-oriented rock. **'Hallelujah'** is a tantalizing preview from the upcoming album **'1991,'** set for release on Coop Records (EU) and Nudie Records (US). Get ready to surrender to the irresistible allure of Melody Fields' sonic ecstasy and let **'Hallelujah'** ignite your dancing spirit."*
