

## Accessing PressReader off campus

Pressreader is available off campus either via the link in the catalogue, the PressReader website, or the PressReader app. On campus access is automatic, linked to your UoP login. Off campus you will have to login:

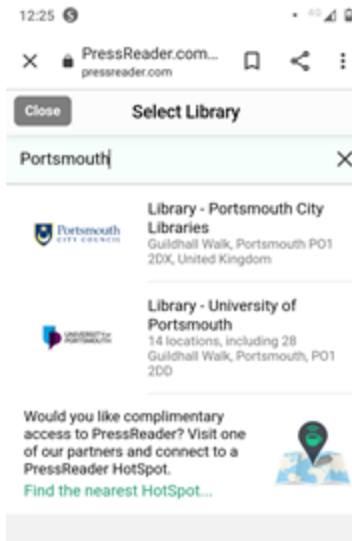

1. On PressReader click on the person icon at the top of the page:

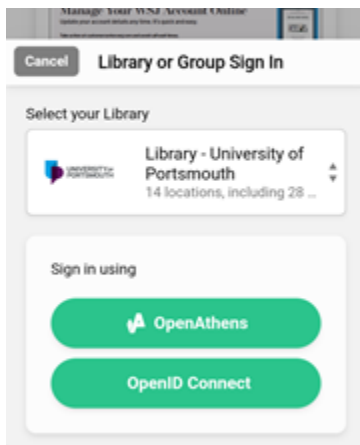

2. Choose 'Library or Group'

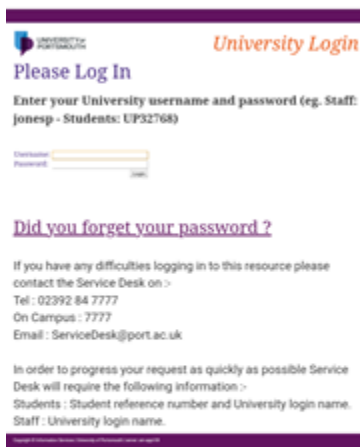

3. Search for 'Portsmouth' and click on University of Portsmouth

4. Click on 'OpenID Connect'

5. This will take you to the UoP login page where you need to enter your usual UoP username and password

- Once logged in you will see a timer counting down the days and hours left to access the magazines and papers. This is a timer until you will be forced to login again, not a countdown to the end of the subscription.
