

Smart Website SEO Checker – On-Page SEO Checker & Analyzer ("the Extension") is committed to protecting your privacy. This Privacy Policy explains how we handle user data when you install and use our extension.

By using this extension, you agree to the terms outlined in this policy.

Information We Collect

- **No Personal Data:** We do not collect, store, or share any personally identifiable information (PII) such as name, email, phone number, or payment details.
- **Non-Personal Data:** The extension may process webpage content locally on your browser to analyze SEO-related elements (e.g., titles, descriptions, headings, images, links, schema markup). This data is used **only on your device** and is **never sent to external servers**.

How We Use Information

- All SEO analysis and checks are performed **locally within your browser**.
- No browsing data, search history, or website usage is tracked or transmitted externally.
- The extension is solely intended to provide you with on-page SEO audit results in a simplified format.

Data Sharing

- We do **not sell, trade, or rent** any user information.
- We do not share any data with third parties, advertisers, or analytics platforms.

Permissions

The extension may request the following permissions:

- **Active Tab Access:** To analyze the current webpage you are visiting.

- **Storage (if applicable):** To save user preferences such as dark/light mode or default settings.

These permissions are used strictly to provide functionality and not for tracking.

Third-Party Links

Our extension does not include or redirect you to third-party websites unless clearly stated for documentation or support.

Children's Privacy

This extension does not target or knowingly collect information from children under the age of 13.

Changes to Privacy Policy

We may update this Privacy Policy from time to time. Any changes will be posted on this page with an updated "Effective Date."
