Dear Parents/Guardians and Students:

Welcome to Mascoutah High School! We are thrilled to welcome you to our community and look forward to getting to know your family. We know that moving can be stressful, and our team is here to make this transition as smooth as possible.

To help you get started, we have outlined the essential steps and resources for registration below.

Registration & Health Requirements:

Please visit the Mascoutah School District website for comprehensive instructions: Registration Information

Because guidelines vary by district, please pay close attention to our specific health and financial requirements before your student's first day:

- Health Requirement Chart
- School Year Fee Schedule (MCUSD#19)

Transferring Records:

Our Student Services team will formally request official records from your student's previous school. However, we highly recommend obtaining an unofficial copy of transcript and/or transfer grades when you withdraw. Having these on hand gives our academic counselors a great starting point for course placement.

Academic Planning & Course Selection:

We encourage you to explore the Student Services webpage to review credit requirements and elective options. While core classes are required, students have a wonderful variety of electives to choose from.

Please review the available course options for your student's grade level:

- Freshmen: Course Selections 2026-2027 (FRESHMEN)
- Sophomores: Course Selections 2026-2027 (SOPHOMORES)
- Juniors: Course Selections 2026-2027 (JUNIORS)
- Seniors: Course Selections 2026-2027 (SENIORS)

For full descriptions of all classes, please view our comprehensive Course Catalog 2026-2027 (Live).

The Student Services staff is excited to journey with you through high school. If you have any questions about the admissions or enrollment process, please don't hesitate to reach out to us at 618-566-8523 (ext. 2).

Sincerely,

Student Services
