

BY COMMISSIONING ME YOU AGREE TO THESE CONDITIONS

My artwork is extremely experimental and I don't have a set line to render technique. My turnaround time is anywhere from 1.5 weeks to 3 months. However the median range is often under a month.

Please be aware if your project is bigger and more time consuming it will take significantly more time and smaller commissions may take priority. Updates and progress shots are given

frequently in DMs. Payments of 100 usd and under are taken upfront via Paypal. I can make plans for payments over 100 and tips are always appreciated. Refunds are offered at any time for any reason even if I have already started. However, depending on my progress it may only be partially refunded.

Please have a clear and concise description of what you desire if you aren't giving me artistic liberty. Feedback on all WIPs is encouraged and welcomed. Editing/red-lining my art is also OK! Any character design is fine and I will draw anything. However my strength is anthros and animals and anything biological. If I feel like I won't be able to do your character justice I may refuse them. You may not claim my work as your own. You may not sell or monetize my work. You may apply your own watermark to your commission as long as you credit me.

PLEASE READ BELOW BEFORE ASKING WHAT I AM OK WITH DRAWING

NSFW/fetish requests are OK, toss me a dm on any of my profiles or email equidata@gmail.com-I will not draw any hate speech or hate symbols or anything overly offensive. We will have to have a dialog about anything to do with gratuitous gore and violence. And absolutely no on underage/feral/filth/incest requests.
