

ONLINE REGISTRATION INSTRUCTIONS

Studio Pro is our studio management software. It is very intuitive and user friendly however, for best results use a web browser on a computer, not a phone.

Steps To Register For iFLY Aerial Arts Programs

- Use the register buttons on the site or click [HERE](#) to create an account (Parent Portal)
- Add your Child (Student) to your Parent Portal. **NOTE:** If you are the parent and the student then you add yourself for both the parent and the student.
- *Please note: For payment processing of this contract, you must save your Credit Card or Visa Debit info to your parent portal under ACCOUNT, PAYMENT METHOD.
- Next, click Register on the left side menu. You will then see program options as buttons above your name.
- Under each program tab, you will see options suitable to your students age and level.
- Choose the program you are registering for by clicking the correct tab.
- Any issues see the "Helpful Links & Tutorials" section below.
