

ATTENTION!

The application **BOTNUDS** is in **MAINTENANCE**. The reason is that we are updating the application to improve the quality of nudes (It looks practically perfect).

Due to the update, you will be able to access BOTNUDS after up to 8 business days, which is the time it takes us to update the application.

We ask for a little patience, but it will be worth it! In the meantime, we have launched one of our partner bots. It is paid, but you can use it once for free.

To access the **BOT socio** that undresses any woman, follow the following steps:

1- download the Telegram application

In case your device is android, please click on the following link:

<https://play.google.com/store/search?q=telegram&c=apps>

In case your device is iPhone, please click on the following link:

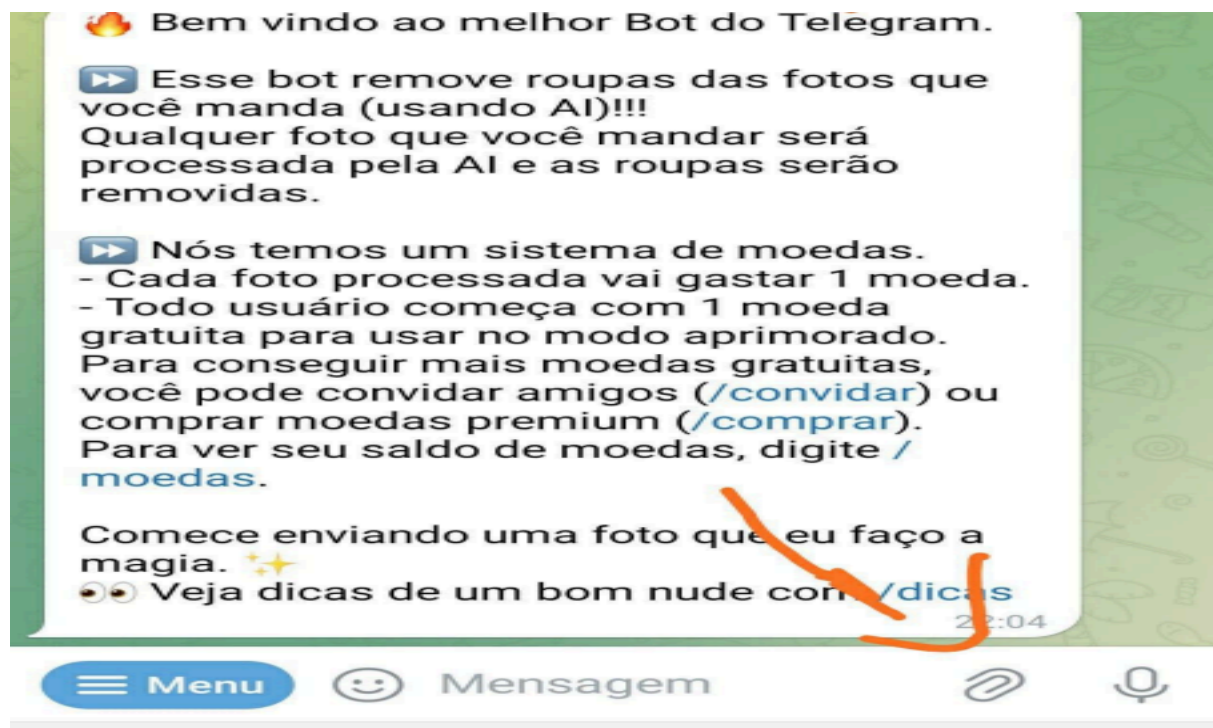

<https://apps.apple.com/br/app/telegram-messenger/id686449807>

2 - After downloading the telegram app and registering with your phone number, click on this link:

<https://cloff.ai/hottok?r=953629096>

3 - After clicking on the link that goes to "Send message", and that's it, follow the step by step explained

4 - To add the image of the woman you want naked, simply click on the clip icon and add the image and that's it, the magic happens:

5 - Just send the photo of the woman, and wait up to 1 minute and you will have the photo of the naked woman.

6 - Any question or own application I can help you!

ATTENTION: If you have any questions, we will soon publish a

step-by-step video that will teach you how to use botnuds. You will be able to access the video by email within a few days.

7 - In the next few days we will launch our unlimited botnuds app, along with various bonuses and other amazing bots se will be sent to your email, I ask you to have a little patience to wait.
