

GILIGAN'S ISLANDS

**No players meeting?
No problem!
Just read on...**

- Until after 4pm on 10/16 tee times listed on the PDGA web site are TENTATIVE. Players may drop or change divisions before then. An announcement will be made on Disc Golf Scene when the tee times are finalized. However, unless you change divisions, tee times will not change drastically at this point.
- The park gate will be opened at 7:30 on Saturday. Please check in ½ hour before your tee time to get your players pack. Be at your tee ON TIME. Being late means your score will be par plus four for each hole missed. This will be strictly enforced.
- The 3 additional baskets for the extra holes will be put in Thursday. Tee boxes will be in roughly the same spot as they were last year.
- Islands will be marked Friday morning sometime. Islands will be marked in orange and putting circles (where possible) marked in white.
- Masks are required for entry into the lodge. Please respect social distancing.
- Remember that islands are HAZARD islands - not OB. Land outside of the island and play the disc where it lies with a stroke penalty or re-throw from your previous lie with a stroke penalty.

- MA1 and MA2 will have the islands in play BOTH rounds. MA4 will not be playing islands in play in either round. All other divisions will be playing the first round WITHOUT islands and the second round WITH islands.
- All paved areas on 19 will be a hazard during the island rounds. During non-island rounds paved areas will not be considered a hazard.
- There is no OB on the course. There are 2 permanent signs that indicate OB on #3 and #15 but we will be ignoring those for this tournament.
- ACE POOL: The ace pool is currently at about \$320. If multiple aces are hit then the pool will be split evenly for each ace. If no ace is hit during the tournament then the pool will be split between a CTP on #21 and CTP on #18. Payouts for the ace pool will be via PayPal or Venmo. No exceptions.
- Raffle tickets will be sold however they must be purchased before your first round as we will be doing the drawings so everyone can get their prizes before leaving. Everyone gets one ticket with registration. Additional tickets will cost \$1 per ticket or \$5 per 6 tickets. All funds collected from these sales will go toward local course improvements. There are bags, a basket and many discs to be given away. Please put your initials and division on the back of each ticket. Tickets without this information will be tossed.
- Any questions not answered here need to be emailed to sandridgedgc@gmail.com OR posted here: https://www.discgolfscene.com/tournaments/Gilligans_Islands_Sponsored_by_Basket_Bashers_2020/comments Please DO NOT send questions about the tournament any other way like text, Facebook messenger or the like. It gets quite confusing and time consuming when we get the same question from one person asked in several formats. Please ask these additional questions BEFORE 8pm on 10/16. Us TD's gotta go to bed before the tourney.
- PDGA Live scoring WILL be used.
