Summer Tuition and Fee Rates for App State Online Programs
Boone and Hickory Campus Rates are approved by the UNC President. App State Online Rates are the same as the preceding Fall and Spring rates, except for any Chancellor-approved fees. App State Online summer rates are found on page 5 of this document.

Additional Information
Although the General Assembly provides for most of the instructional costs of institutions through state appropriations, institutions generally rely entirely on student fees to finance activities, services, and some facilities that enhance the overall student experience. These fees are considered part of the program's enrollment cost and do not reflect the provision of any specific service. Fees are assessed based on the student's program of study and level (undergraduate or graduate). Miscellaneous Fees are approved by the Appalachian State University Chancellor. Some Miscellaneous fees may not be fully approved at the time of the creation of this Tuition and Fee Schedule.

App State Online Programs: Students enrolled in a program designated as an App State Online Program will be assessed fees at the App State Online Program rates. The majority of these rates are approved at the Fall/Spring Rates in effect for the prior Fall/Spring terms. These fees are charged pursuant to considerations surrounding the functionality of online programs. This also includes App State Online Programs that meet at an off-site location. Online programs may not provide access to all campus services and facilities. Students enrolled in an App State Online program may contact the Office of Student Accounts to opt in to the Health Services Access Fee. If a student opts in, the full-time rate will be charged regardless of the number of hours enrolled. All courses will be assessed at the App State Online fee schedule if a student is enrolled in an App State Online program.

App State Online: Flight Path Programs: Students enrolled in a program designated as an App State Online: Flight Path will be assessed tuition and fees approved by the Appalachian State University Chancellor. Periodically, these rates are reviewed by the UNC Board of Governors. Students enrolled in Flight Path programs will be assessed mandatory fees. Students may opt out of the Book Rental Fee. For more information, contact the University Bookstore.

Boone/Hickory Campus Programs: Program-based fees apply to students enrolled in programs designated for the Boone or Hickory campus, regardless of whether they use program-based services or facilities. The only exception to these required fees is that a student may opt out of the book rental fee. Please contact the campus bookstore for opt-out deadlines and to request an opt-out. All courses will be assessed at the Boone campus program fee schedule if a student is enrolled in a Boone campus program.

If you have questions about which fee structure applies to your program, please consult your advisor or the Registrar's Office (for undergraduate students) and Graduate Studies (for all other levels). Once tuition and fees are charged, the Office of Student Accounts can assist with explaining the charges. We cannot answer why a specific program is designated as App State Online or Boone/Hickory campus program fees.
