Describing and Defining

Two Steps Towards Perfection

Definition V/S Term

Definition means a brief detail of any concept or thing.

Terminology means the special words (jargon) used in a particular field.

Types of Definition

1. Parenthetical Definition

It defines a word within a sentence as a synonym.

2. Sentence Definition

Used to clarify any word which needs clarification but is not the main or key word

3. Extended Definition

Extended definitions is analytic by nature and provide examples to illustrate the concept.
