

Registration Page Examples

Out-of-the-Box

1. Out-of-box, you can add custom fields, images, your logo, and colors to match your brand.

Example:

- Albers: <https://albers-chairs.refersion.com/affiliate/registration>

Build Your Own Landing Page

2. You can build an informational landing page for affiliates and have your “apply now” CTA link out to the registration page directly.

Examples:

- Yoga Outlet: <https://www.yogaoutlet.com/pages/affiliate>
- Pique Tea: <https://www.piquetea.com/pages/new-affiliate> (Pique team’s landing page links to a custom registration form. More information below on how to set that up)

Embed the Registration Form

3. You can embed the registration form onto your site. You can also have an “apply now” CTA go to a page in your store with the registration embedded; instructions [here](#).

Example:

- WeckMethod: <https://www.weckmethod.com/partnerships/affiliates>

Custom Registration Form

4. You can use a form of your own or build a custom registration page on your website directly and send it into Refersion via a workflow app like [Zapier](#) or [our API](#).

Examples:

- The Turmeric Co: <https://theturmeric.co/pages/ambassador-application>
- Hairstory: <https://hairstory.com/pages/for-hairstylists>
(Both Turmeric Co. and Hairstory are using our API to send in new affiliate applications from their website.)
- In Common Beauty: <https://pro.incommonbeauty.com/pages/carry-us>
