Conflict Set Up <i>Remind readers of the conflict or problem surrounding your topic.</i>	<p>Women, throughout history, have been given second class status in the world which has often pushed them to margins of society. Unfortunately, this trend continues in the gaming world.</p>
Restate Thesis <i>Rephrase your thesis by reversing your subject and predicate order... and use synonyms!</i>	<p>Women have been underrepresented, overtly sexualized and given one dimensional roles in the video game industry since its inception in the late 80s.</p>
Restate Point 1 <i>What claim is being made in your first paragraph and how was it proven?</i>	<p>Women are not represented in the video game world because men often grossly outnumber their female counterparts both as main characters and in the office.</p>
Restate Point 2 <i>What claim is being made in your second paragraph and how was it proven?</i>	
Restate Point 3 <i>What claim is being made in your third paragraph and how was it proven?</i>	
World Connection <i>What should readers take away from this paper? A call to action</i>	<p>If gamers took a moment to consider the way women are being portrayed in the gaming world, we may stand a chance to create a better environment for both men and women in the virtual world.</p>
