

Science

Create a model of the mouth and label the different parts of the mouth?

What are the roles of different types of teeth?

What role does saliva play?

History

Explore Canva and use the timeline feature to arrange the events during the Roman Empire.

You could research your own significant dates or use [these ones here](#).

Art

Create a masterpiece using the Roman technique of mosaics.

Explore [this video](#) to learn more about mosaics.

You could use squared paper, paint or even Google sheets!

Storytelling

Make puppets for a story of your choice and record you retelling the story.

You could do a fairytale, poem or real-life event.

Year 4 The Romans

Make sure to show Miss Holloway your optional homework for a certificate, house points and stickers!

Remember, every week you will still need to:

- **Read** for 10 minutes **every day**
- Practise your **Century** nuggets
- Practise your **times tables**
- Practise your weekly **spellings**

Roman clothing

Make a pair of Roman sandals that fit your feet! Think about design, purpose and Roman trends.

Empire Expansion

Create a Google Earth project to show the countries that were part of the Roman empire. Add a fun fact about that country.

Creative Writing:

Write a narrative based on this image.

You could use Docs, make your own book, Book Creator or Toontastic.

Stop-motion animation

Make a stop-motion animation of the story of [Boudica](#) or [Romulus & Remus](#)
