

Extra Credit Assignment: Aging and Disability Resource Connection of Oregon Website

For this assignment you will be exploring the Aging and Disability Resource Connection (ADRC) of Oregon's new "Dashboard". This website allows you to easily find information about different resources available in Oregon.

Tasks

1. Go to this website: [ADRC website](#)
2. Click on "Search", and choose one of the service icons shown.
3. Explore the resources shown for this service. Many of these services have subsets of services, and most will ask for your zip code in order to find the most relevant resources. Explore each of the areas, and note the services available.

Criteria for Success

Type up a 2-3 page paper (double-spaced, 12 point font) discussing this resource area. Answer the following questions:

- What did you find out about service availability?
- Do you feel there are enough services for this area?
- Which of the services listed were new to you?
- How can you use this information (and this website) in your work with clients in the future?
