# Senator Résumé

## PART II: Your Senator in Action

A résumé lists general background and work experiences. However, it doesn't show the personality and views of the person. For your Senator's resume, use the C-SPAN Video Library to locate a video clip of the Senator you researched. View the clip for 5-7 minutes and then answer the questions below. If you are confused by the clip you chose, look for a different clip.

<http://www.c-span.org>

### Note Taking Space

1. Where was the clip recorded?

---

2. What is the date of the clip?

---

3. What is the topic is being discussed?

---

4. What general argument is being made by the Senator?

---

---

---

---

5. Identify and evaluate the evidence the Senator used to support his/her argument/claim (think about relevance of evidence, sufficiency of evidence and exaggerated or distorted evidence).

---

---

---

---

6. What does this clip show about the Senator's character traits/personality? Explain with evidence from the clip.
