

What to know before starting the year

## Registration

Be sure you have registered online for this upcoming year. If you are not registered, then we can't complete your schedule. Registration is still open, and it's easy to complete. [Registration Portal](#)

## Schedule

Check your SCHEDULE!! It will be posted on ActiveStudent on the Friday before the start of school.

## 9th-11th Graders

- Should have a full 4-block schedule each semester
- Should have an English, Math, Science, and Social Studies on schedule for the year
- If you have a duplicate course (one you have taken before), email your counselor

## 12th Graders

- Should have what is needed for graduation on schedule + other requested courses
- Should have completed all state test requirements or be scheduled for any missing state-tested courses
- If you have a duplicate course (one you have taken before) email your counselor

If you would like to request a change of course, you will need to email your counselor **after the schedules are posted.**

You will receive your class schedule via ActiveStudent. Make sure you have checked your graduation requirements and are enrolled in the proper classes. Any updates to schedules will be handled via email and within a strict timeline.

## Communication

This is very important. Check it several times a week. Check your go Commodores email. We will be communicating with you about important information you and your guardian must know.

The Counseling Center is open and would like to help you in any way possible. We are here to help you socially, emotionally, and academically.
