

How to activate your New York Times subscription for students and teachers

To activate your Academic Pass, please follow these steps:

- Visit nytimes.com/passes. Create a free NYTimes.com account using your school email address. If you already have an NYTimes.com account associated with your school email address, log in with those credentials. If you forgot your password, visit nytimes.com/forgot to reset it.
- Check your email inbox for our confirmation message. Click on the link in your confirmation message to validate your email address and claim your Pass. If the confirmation email didn't arrive, check your spam folder. If it isn't there, send an email to edu@nytimes.com from your school email address to request confirmation.
- You have successfully claimed a Pass when you see the *Start Your Access* screen. Now you can enjoy seamless access to NYTimes.com and NYT mobile apps from any location, on or off your school's campus, just by logging into your NYTimes.com account. You may download NYTimes mobile apps at nytimes.com/mobile.
