

Dear Family Members,

We want to make sure our students keep learning while away from school. Below is a list of learning activities for the week of **May 4- May 8**

We are available to support you and your child with at-home learning. Please email us with questions and celebrations of your child's learning.

Please see directions for all daily assignments below

Sincerely,

Ms. Leveque

**All Directions:**

**Math:**

**Daily Math Problems**

**Read the problem**

**Highlight the question and important information**

**Show all your work**

**Label your answers**

**Minute Math: Take as much time needed to answer correctly by the due date.**

**Math worksheets Perimeter and Area**

**Read Book: Journal your daily chapter.**

**Reading: Read the articles and answer the questions**

**Writing: Write one to two paragraphs (four or five complete sentences in each paragraph)**

**Use correct spelling and punctuation in your writing.**

**Vocabulary; Write a complete sentence with the vocabulary word in it.**
