

Q1 Classes 25/26

Lakeview Learning Center

- ★ Some classes require pre-registration to participate
- ★ Meeting Links, Class Registration, and Details are below each calendar
- ★ Courses begin 9/2/2025

	Monday	Tuesday	Wednesday	Thursday	Friday
8 - 9 AM					
9 - 10 AM					
10 - 11 AM		10-11 Study hall			
11 - 12 PM					
12 - 1 PM					
1 - 2 PM	Student support k12 (Louie) (1-3pm)	Advance in advanced math (9-12) (Louie) 1:00-2:00	Student support K12 (Louie) (1-3pm)	LEGO Math and Design (K-2) (Louie) (In Person Only) (1-3pm)	
2 - 3 PM		Algebra 1/2 and Geometry Support (9-12) (Louie) (2:00-3:00)			
3 - 4 PM	Student Support K12 (Louie) (virtual only) (3-4pm)	Middle School math Support (6-8) (Louie) (3:00-4:00)	Student Support K12 (Louie) (virtual only) (3-4pm)		

Course Descriptions

- **Student support k12** - Students can get support with all subjects in our learning center. [Link](#) 1-3pm, [Link](#) 3-4pm
- **Advance in advanced math (9-12)** - Get help in precalculus and up. Need questions answered or concepts clarified in a different way for those advanced math classes, this is the place. No registration required.[Link](#)
- **Algebra 1/2 and Geometry Support (9-12)** - Struggling with your virtual class, come get the extra help you need for putting it all together. No registration required. [Link](#)
- **Middle School math Support (6-8)** - Get help on those broad middle school math topics or for those supporting concepts, like fractions! Review, refresh or new, they all get covered here. No registration required.[Link](#)
- **LEGO Math and Design (K-2) (Louie) Wednesday (In Person Only)** Who knew math and building could be this much fun? In this hands-on class, LEGOs become tools for doing math, problem solving and creative designs! We'll snap, stack, and build our way through exciting challenges that teach important math and problem-solving skills.
