

HHS P-TECH Early College High School
P-TECH Advisory Board
Meeting Agenda (TEAMS)

October 7, 2024
3:15 pm

Meeting Facilitator: Mr. Efrem Pierce, Dean P-TECH Early College

Invitees: Hightower P-TECH Advisory Board Members

- I. Call to order
- II. Introductions
- III. HHS P-TECH Progress
 - a) HHS P-TECH Classes Updates (General)—Term 1 has ended. Many students have late work to turn in. This is unacceptable! Students are not committing to class. I have spoken with the HCC instructors regarding the students' progress.
 - b) HCC Courses (Progress/Issues)

BIOL 1106 Students are not in class. HCC scheduling issues: students must be doubled up for the spring.
 - c) TSIA2 Testing (Student Progress)—HCC Southwest is offering TSIA Bootcamp. Seniors are being prioritized. We need to increase the number of students testing weekly.
 - d) Industry Partnerships—Still looking for an additional sponsor for Medical Assisting students for the practicum. Ms. Lundgren is reaching out to Methodist.
 - e) HCC Student Tools—Students now have the proper software for coding classes.
 1. Advising Reports
 2. Student Coursework
 3. Grades
 - f) Other issues
- IV. Next Meeting Date: December 12, 2024

V. Advisory Board Signatures
