

# Disciples at [Poor People's Campaign Digital March](#) June 20, 2020

Therefore, the Mass Poor People's Assembly & Moral March on Washington on June 20, 2020 will not be postponed but will be transformed! We are going digital!

## Poor People's Campaign

### A NATIONAL CALL for MORAL REVIVAL

## MASS POOR PEOPLE'S ASSEMBLY & MORAL MARCH ON WASHINGTON IS GOING DIGITAL

On **June 20th**, we will hold the largest **digital and social media gathering** of poor and low wealth people, moral and religious leaders, advocates, and people of conscience in this nation's history. A global pandemic is exposing even more the already existing crisis of systemic racism, poverty, ecological devastation, the war economy and militarism, and the distorted moral narrative of religious nationalism. **On June 20, the 140 million poor and low-wealth people across this nation will be heard!**

**REPAIRERS  
OF THE BREACH**

**KAIROS**  
THE CENTER FOR  
RELIGIONS, RIGHTS,  
AND SOCIAL JUSTICE

**IN THE MIDST OF CHANGING TIMES,  
OUR MOVEMENT CONTINUES...**

*...because we won't be silent anymore.*

*...because everybody has a right to live.*

*...because poor and low wealth people will suffer most in this crisis.*

*...because our demands must remain front  
and center in this critical election year.*

We will hold the largest digital and social media gathering of poor and low-wealth people and people of conscience in this nation's history. The COVID-19 global pandemic is exposing the already existing crisis of poverty in America, and we are going to bombard every member of Congress and the White House so that we raise up the [demands of the Poor People's Campaign: A National Call for Moral Revival](#).

We will not be able to gather physically in Washington DC, but it is paramount that we have a forum where poor and low-wealth people can share their truths with a nation that needs its heart broken.
