- Congratulations to Andrew Roth and Corbin Walston **wrestling sectional champions**. Congratulations also to Jayce Bohan and Noah Rowlett for placing second and Dominic tribbie for placing fourth. All five of these wrestlers will move on to next week's Regional in Richmond. Also, Zach bill will be moving on due to injury default. . Special thank you to Marshall Kinnard Jack Bradley Javier Payne Micah Foster and Jake Schwaz for finishing up the season and giving their best all season long.
- **Juniors**, If you have not yet done so, please follow this link to schedule an appointment to make decisions about classes for next year. <https://lhsguidance.youcanbook.me/>
Remember if your child has an IEP you do not need to do this step because the teacher of record will contact you for a case conference.
- **Esports meeting** will be on Thursday, February 6th in room 115 from 3:15-4:30. Please see the Google Classroom for more information.
- Any boy or girl interested in **Track** and NOT currently in a winter sport, should meet with Coach Steuer today at the indoor track at 3:15. Workouts will begin then. You must be signed up on Final Forms and check Track as a sport. Instructions are on the LHS Athletic link on the school website. You can also pick up forms in the Athletic Office. Mr. Pierson or Mrs. Reese can answer questions you may have.

- Students, please consider purchasing an orange **Coaches vs. Cancer shirt**, if you plan on attending the February 21 home game vs. South Dearborn as the Tigers and Knights team up to battle cancer. Shirts are \$10 and you can order by seeing Coach Blackwell or Mrs. Reese any time during school hours. Just have ten bucks and your size ready. You have until February 12 to order and shirts will be available for pickup on February 19.
- **Lawrenceburg Public Library** is offering "Free Your Card" fine forgiveness for the month of February. See link for details.

Coaches vs. Cancer - February 21

At the February 21 LHS vs. SD basketball game, we are having our "Coaches vs. Cancer" game. This is the basketball community's way to raise awareness and funds for the never ending fight against cancer. In addition to coming to the game, there are lots of ways to contribute to the cause. With these initiatives and the great support we have in our dearborn county communities that make up Lawrenceburg and South Dearborn, we think we have a chance at making the biggest donation to Coaches vs. Cancer from any single high school game ever in Indiana. In addition to coming to the game on 2/21, here are several ways to support below.

1) We want to encourage a packed house on 2/21 and anyone that is coming to the game to be in the same shirt, and obviously you don't have to come to the game to buy the shirt. See the link below. Shirts must be ordered by 2/12 and pickup instructions are within the link. All profit goes toward the donation thanks to the generosity of OVS.

2) We had some fun with a gofundme and have already met the goal that has led to South Dearborn's coach and I coaching the game in loud suits. People can still contribute despite the goal being met already.

<https://www.gofundme.com/f/tigers-and-knights-vs-cancer>

3) We are having a pre-game dinner in the LHS cafeteria at 5:30 on Friday, Feb 21. There will be entertainment from Tiger Pizazz. The cost is \$10 per person and as of now it is limited to 200 people. People can reserve their spot by emailing Mason Jeffreys at m.jeffreys73@gmail.com. People will pay that night.

4) The night before the game, we have a LHS vs. SD Alumni game scheduled at LHS. It will cost \$5 to get in and all revenue goes toward the cause. You might see some former students still trying to get up and down the basketball court!

Thanks for considering supporting this cause! If you are in a position to forward this along to any Tiger or Knight fans that might be interested, thanks for that as well!

Lawrenceburg Community School Corporation

Dear Parent or Guardian:

The peak of the cold and flu season is upon us. To prevent the spread of flu in school and the community, we recommend that your child stay home from school if experiencing flu or cold symptoms. To decide whether or not to send your child to school, please consider the following guidelines:

Definitely keep your child at home for treatment and observation if he or she has any of these symptoms:

- Fever (greater than 100 degrees by mouth and your child may return to school only after his or her temperature has been consistently below 100 degrees, by mouth, for a minimum of 24 hours)
- Vomiting (even once)
- Diarrhea
- Chills

- General malaise or feelings of fatigue, discomfort, weakness or muscle aches
- Frequent congested (wet) or croupy cough
- Lots of nasal congestion with frequent blowing of nose

Consider keeping your child at home for an extra day of rest and observation if he or she has any of the following symptoms:

- Very stuffy or runny nose and/or cough
- Mild sore throat (no fever, no known exposure to strep)
- Headache
- Mild stomach ache

To help prevent the spread of illness, teach your children good hygiene habits:

- Get your flu vaccine
- Wash hands frequently
- Do not touch eyes, nose or mouth
- Cover mouth and nose when sneezing or coughing, use a paper tissue, throw it away and then wash hands
- Avoid close contact with people who are sick.

Colds are the most contagious during the first 48 hours. **A child who has a fever should remain at home until "fever free" for a minimum of 24 hours without the aid of medication.** A child who has started antibiotics needs to be on the medication for 24 hours before considered non-contagious and able to return to school. Often when a child awakens with vague complaints (the way colds and flu begin) it is wise to observe your child at home for an hour or two before deciding whether or not to bring to school. Your child should be physically able to participate in all school activities on return to school. Keeping a sick child at home will minimize the spread of infections and viruses in the classroom.

Thank you in advance for helping make this year at school as healthy as possible.

- **Not planning on college? Interested in the trades? This is a GREAT opportunity!**

HIRING FAIR at our local LOWE's TOMORROW! See details in email below.

Good Afternoon,

My name is Matt and I am a recruiter for Lowe's Home Improvement in your area. I'm reaching out to introduce a great program that might be of interest to your students called Track to the Trades. This program is designed to help our employees launch a career in the trades: carpentry, plumbing, electrical, HVAC, and appliances repair.

In this program, Lowe's pays for 100% of our employee's tuition upfront. The only requirements are that the employee has been working with us for six months and must be 18 years or older. During their time in the Track for the Trades program, students will:

- Complete their trade pathway program in 6 to 10 months
- Receive a personal education coach that is available via text, phone, or email
- Be introduced to local contractors that are willing to hire service-minded professionals for an apprenticeship
- Receive ongoing coaching and mentorship to ensure success

Lowe's is dedicated to promoting the trades as a viable alternative to a college education. By 2028, 32% of all skilled trade pros will retire, leaving 3 million job openings in the trades. A great resource for information regarding the trades is Generation T, a national movement started by Lowe's designed to help change the negative perception of the trades through education and immersion events. Our website is amazing: wearegenerationt.com.

Attached you'll find some additional information. I'd love to help your students in any way that I can. I am available for career fairs, info sessions, or any questions that you or your students may have.

Starting 1-22-20 Lowe's will be starting to hire for Spring. We will be hosting open interviews at all local locations from 9am to 6pm. Applicants must be 18.

- **Eckstein Roofing is hiring. See link for details.**
