Provide Greater Access to STEM Education to All Students

Samika K.

Tutor
San Antonio Math Include

Samika is part of the 2025 Class of BASIS Shavano San Antonio. Her favorite subjects are math and biology. Her hobbies include swimming and cooking. She has won an award for a space-biology competition and a couple spelling and math awards. She is part of NJHS and NLHS. She hopes to be able to teach and help kids learn new concepts this summer. She is excited and cannot wait to work and meet new people.
