- 103683 - Mini Glue Dots
- 159236 - Basic White Envelopes
- 110755 - Multipurpose Liquid Glue
- 104430 - Stampin' Dimensionals

Cutting Instructions

- Fresh Freesia CS: 8-½" x 5-½" scored at 4-¼" so that your fold is on the top of your card base.
- Basic White CS: 4-7⁄8" x 3-5⁄8"; scrap for sentiment.
- One Sheet Wonder or DSP: 5-¼" x 4"
- Shaded Spruce CS: (2) 5-¼" x 4"

Assembly Instructions

1. Die cut one of the pieces of the Shaded Spruce CS using the largest Deckled Rectangles die.
2. Die cut the Basic White CS using the second to the largest Deckled Rectangles die and stamp your sentiment in the upper center section. Stamp your flowers, leaves, and other things in the lower left corner. Do some similar stamping on the lower left corner of your envelope and the envelope flap. Glue this to the die cut piece of Shaded Spruce CS and then glue to the inside of your card base.
3. Die cut your OSW or DSP using the largest Deckled Rectangles die, emboss it using the Painted Textures 3D folder, and then glue it to the other 5-¼" x 4" piece of Shaded Spruce CS.
4. Color your ribbon with the Fresh Freesia Blends. You can either use the dark or the light. Tie the ribbon into a bow around a can that is about 8" in circumference or so. Decide where you want the bow and then cut the ribbon so the ends wrap around the panel in #3. Put a glue dot behind the bow and tape the ends to the back. Adhere the panel to the front of the card using dimensionals.

Elaine's Custom Cards

Stampin' Up® Independent Demonstrator United States

- Stamp your sentiment on the scrap of Basic White CS with the Shaded Spruce ink pad and die cut with the second to the largest rectangle in the Timeless Arrangements die set. Place it over the ribbon to the left of your bow using dimensionals.

- Place three Lost Lagoon tinsel gems to the front of your card.

Please let me know if you see any errors in these instructions so that I can correct them.
