Grade Level Priority Standards (Bold)					
Ongoing and Assessed		Some of the “Ongoing and assessed” standards are not specifically listed in the “Standards to be Taught & Assessed” column below. These standards are expected to be addressed multiple times throughout the year. In addition to this pacing guide, please refer to the <i>Scope & Sequence</i> document to see where each Priority and Support standard is listed. Priority standards are listed in bold; support standards are listed in parentheses. After the first two units, priority standards may be listed as support (that is why you see bold in parentheses). Each standard is taught and assessed multiple times during the year. <i>**Foundational Skills are to be assessed at the beginning of the year to drive individual student instructional needs. Assessments should continue throughout the year as students gain mastery with standards.</i>
