

SPRING 2022 FUNDRAISER

We will have a fundraiser that begins this Thurs., March 24 and will run through April 1. Funds raised will go towards our end-of-year celebrations and adding color to our physical environment for next year if we get enough. The fundraiser is very simple.

Details to Know:

- Information will go home on Thursday. (See [flyer](#) attached and student copies will be in your mailbox.)
- Thursday Lead Time - All classes will need to show the [virtual assembly video](#) (12 1/2 minutes). ***It's important to do it THIS day in order for students to get the prizes.**
- Announcements - We'll likely have a few more announcements at begin/end of day for the first few days.
- Building Incentives:
 - Highest \$ Earning Class=Class Pizza Party
 - Raise \$10,000 = Staff vs. Student Sports Game of Choice @ Assembly (Dodgeball? Kickball?)

Summary of Fundraiser:

- Money is raised through donations (online or cash/check) students get from family and friends.
- Students will follow the [link](#) on the flyer with their parent to share the email of a minimum of 10 contacts. These should not be email addresses of their friends at school. ;) Then, return their GOLDEN TICKET. (FYI-It's not the end of the world if they do not have their ticket. This information will be verified digitally.) If needed, here is a [how-to video](#) register and complete the Golden Ticket.
- If students do this by the next day, Friday, they will receive 2 prizes on flyer. Their contacts do NOT have to make a monetary donation in order to get prizes. (Which is awesome because all can be included!)
- Teachers may also submit 10 names to receive prizes!
- Since we are kicking off on the first day of conferences, students will be given a second chance to turn in the Golden Ticket on Monday to receive the 2 prizes. On Friday, we will ask you to play this [second chance video](#) to encourage students to complete it over the weekend.
- The first 4 days, we will draw one student name from all students who obtain 20 email names and turn in their Golden Ticket to win a mini fridge filled with cash. (Fridge given away Mar. 25, 28-30.)
- On day 5, March 31, we will draw one student name from all students who obtain 10 email names and turn in their Golden Ticket to win a \$250 Amazon gift card!
- At the end of the fundraiser, we will receive a list of all money raised by each student. These students will receive the prizes on the second page of the flyer based on the amount they personally raised. These will be ordered and come at a later time.
- Hopefully, we're able to do some fun celebrating in May and get assistance towards decorating the building with color next year.
- Thanks in advance for your help pumping them up and patience as students receive their prizes! ;) Please let me know if you have any questions.
