

# Liberty in Jesus:

Hi brethren I hope you are doing well, and that the lord Jesus still has the first position in your lives. The reason is that, only Jesus can set you free from bondage. These past weeks he has been ministering to me about Liberty in him. My question to you is ARE YOU FREE?

- (2 Cor 3:17) The Bible says where there is the Spirit of the Lord, there is Liberty. So, if the Lord is present in your life there are a lot of chains that will be broken. We know if you are not free, then you will be in bondage. The Bible presents then two types of Bondages to us ( Rom 6:18)
  - 1) Slave to Righteousness
  - 2) Slaves to sin

Concerning Slaves to Sin: We can then Go to (Col 2:4-8), which presents us four realities that usually steal our liberty in Christ Jesus: Philosophy, Vain deceit, Traditions of Men, Rudiments of the world not after Christ

- Philosophy-Love of Knowledge (1 Co 1:22), just like the Greek fooled themselves and their listeners concerning the true God, many false prophets do likewise today. These philosophical concepts and ideas from hell have caused confusion in the body of Christ. Paul said that he did not preach with wisdom of words (1 Co 1:17). Sometimes listening to some preachers you would think you are in a philosophy class anyways it is not from God. God is Spirit and he sets free with the Power of his word Amen?
- Vain Deceit. Brethren the Bible tells us that there are many antiChrists that have gone in the world to deceive (1 Jn 2:18). They will not come with horns on their heads, but doctrines of demons to keep you in bondage to Sin. (James 1:15) says when Sin is done with you it gives birth to death. They want to induce you in error like Balaam did with the children of Israel causing them to commit fornication (Num 31:16) Please be sober and prayerful asking the lord to sharpen your discernment in this time of deceit and rebellion.
- Traditions of Men. It is easy to fall into traditions and routines in the faith. As human being we tend to make our lives easier with everything. With technology, we see cruise control, now we even want self-driving cars. We also want to bring those behaviors with the lord and that is impossible because the lord is constantly moving. Why? Because Darkness moves as well to destroy us and the lord has to redirect us all the time to avoid collision with evil. Since God knows that we like traditions, he gave his traditions (2 The 2:15) instead replacing what we have inherited from our fathers in the faith and our biological fathers. The Danger of traditions other than God's is that they replace the word of God causing us to Sin against God (Mk 7:13). Satan is cunning be aware people.
- Rudiments of the World instead of Christ. Today the message has shifted completely from his main goal: testify about Jesus Christ born, dead and resurrected. Like Paul was saying I want to hear about Jesus resurrected only (1 Co 2:2). God! We

hear preacher talk about a lot of things but Christ Jesus. They talk about their trips, their visions, the house of God they have to build; they talk about tithing in many services. They have become motivational speakers STOP, STOP, STOP. What about keep our eyes on Jesus like the Scripture says (Heb 12:2)? People let the Lord Jesus set you free from those chains, so you can freely serve him in the name of Jesus be set loose now!
