SHS NEWS & EVENTS

CONGRATULATIONS!

November 14th - 18th is International Education Week, and we are thrilled to announce that two Shorewood High School students Milo Ascher and Maria Velkanov who participated in the CIEE summer 2022 Global Navigator Language & Culture programs earned the Global Seal of Biliteracy, based on the results of their Avant STAMP 4S language proficiency test, which they took prior to arriving in the program location and again during the final week of program. This is a major achievement and testament to their language skills.
Please congratulate Maria and Milo when you see them!
Merci,
Chris and Evan

Shorewood Arts & Craft Fair

The Shorewood Arts & Craft Fair is returning this year to celebrate the 42nd year of the fair! Sunday, December 4th from 10am - 3pm at Shorewood High School. Admission is $4 and proceeds benefit all Shorewood Athletics programs. Get a start on your holiday shopping and support regional artists and crafters!

SHS Parent/Caregiver Board Linkage - Thur Dec 8
School Board Linkage meetings offer opportunities to discuss District and school priorities with constituents, and parents and caregivers are encouraged to participate and to provide feedback to the School Board.
This meeting will be held in person in the Library Media Center in SHS starting at 6PM. Masks are recommended, but optional.

It's Time for Junior Conferences with the School Counselors
The counselors are excited to begin junior post-secondary conferences with all students and families. This is an important chance to discuss post-secondary plans and how to prepare for life after high school. These conferences will begin November 28th and run through the winter months.
A letter will be sent out via Infinite Campus from Student Support Services soon, which describes the conferences and includes a link to sign up for in-person meetings (each meeting lasts roughly one hour). The conference will include the counselor, the student, and one caregiver (or more). If you do not see an available conference slot that fits your needs (i.e. time availability and/or virtual request) please email your child's counselor directly to schedule.

Submitting Photos to the Yearbook

Students, parents, coaches, teachers and more can all contribute photos to the yearbook. In fact, we encourage it! Please submit your photos to our staff by emailing them to yearbook@shorewood.k12.wi.us. Please include a brief description of the activity, and the names of the students shown in the photograph.
Only submit your best photos, you can skip anything that is out of focus, has people with their eyes closed, or is redundant to other photos you have already submitted. The better the quality of the photos the more likely they are to appear in the finished yearbook. We do have limited page space, so we won't be able to include all photos.

Have news you want to share?
Bulletin submissions can be emailed to SHSBulletin@shorewood.k12.wi.us.
*During the school year, **submissions are due Monday evenings** for inclusion in that Wednesday's bulletin.*
