

To Whom it May Concern,

I am writing on behalf of Shaina Vora, who spent two weeks in May, 2018 volunteering for the non-profit organization I run, Birthday Wishes.

As the founder and Executive Director of Birthday Wishes, which provides birthday parties to homeless children, I work with thousands of volunteers, of all ages and from all walks of life. Shaina stands out among them for her initiative, character, and work ethic. During her time at Birthday Wishes, Shaina stepped into a somewhat chaotic environment and immediately immersed herself in the daily operations of the organization, taking on any task required, regardless of how challenging or mundane.

Shaina's maturity, flexibility, and integrity made her a pleasure to work with. She will be a credit to any institution or workplace she joins, as a student, a leader, and an individual. We will miss her inspiring presence at Birthday Wishes. I am happy to recommend her without reservation.

Sincerely,

Lisa Vasiloff
Executive Director and Co-Founder
