

The Church of Jesus Christ of Latter-day Saints

Mendon 3rd Ward

October 13, 2024

The Church is building temples at an unprecedented pace because the Lord has instructed it so. The blessings of the temple help gather Israel on both sides of the veil and prepare a people who will help prepare the world for the Second Coming of Jesus Christ.

Now is the time for all to prepare for His coming and make discipleship their highest priority. Regular worship in the temple will help. Every sincere seeker of Jesus Christ will find Him in the temple, feel His mercy, find answers to their most vexing questions and better comprehend the joy of His gospel.
