✧ I. About House of Sentinels

House of Sentinels is a guild created by Pyrias and Pretzule that aims to bring the Wynnecraft community closer together. We, House of Sentinels and Kingdom of Foxes extend to you a formal invitation to our first large-scale event: KoS' Wynnnter Wonderland!

House of Sentinels, the guild hosting the first day of event is a community and war guild that was founded on the second of July in 2016 in hopes of being a place of respite for those who need it.

Since our conception to now and the unforeseen future, we are ever growing as a community of friendship, cooperation and companionship. We are always open to new friends should they wish to join us on our adventure.

For more information about the House of Sentinels guild, consult the official [guild](#) thread.
