Guidance News

On October 1st, Curry College will host the annual 'Navigating the College Search for Students With Learning Differences' Workshop on campus from 6:00-7:30pm.

By attending 'Navigating the College Search,' students and families will receive critical information to support their college search process as they pursue institutions with the proper academic support to help them succeed. Although our faculty and staff are excited to highlight some key offerings of [Curry's Program for Advancement of Learning \(PAL\)](#), the workshop aims to support student's college search process as a whole - not only their consideration of Curry College.

Students may register for the workshop [here](#).
