WARNING! PLEASE TAKE YOUR TIME READING AND MAKE SURE TO UNDERSTAND THE RULES AND GUIDELINES FIRST!
DONT SHARE THE RULES AND GUIDELINE LINK TO OTHERS!
MANY NEWBIES WHO DECIDED TO SKIP THE RULES AND GUIDELINES ARE COMPLAINING WHY THEY GET 0 ZERO SALARY WHEN THEY HAVE WORKED FOR 8 HOURS A DAY. IT IS BECAUSE THEY HAVE NOT FOLLOWED THE RULES. IMAGINE A MONTH WORTH OF WORK (200 HOURS) WASTED BECAUSE YOU DID NOT SPARE A FEW MINUTES TO READ AND UNDERSTAND!
Please choose "No, It is my first time here" below if this is your first time reading the Rules and Guidelines Document.
Would you like to skip directly to Guidelines? (You can skip ONLY if you are already done with the Rules and Guidelines before and just wanted to REVIEW it again.) *

Rules and Guidelines Part 1: RULES

PLEASE FOLLOW CORRECT PUNCTUATION MARK, CAPITALIZATION, AND SPELLING WHEN FILLING OUT THE QUESTIONS BELOW.

Rules: (Please do Screenshot the image below)

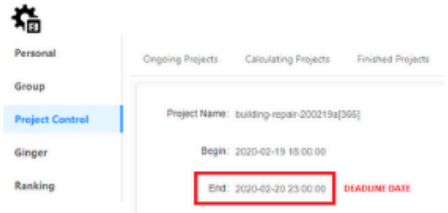

V. Rules

Task Expiration: 6-12 Hours

New Creation & Normal Repair

YOU CAN CHECK THE TIME LIMIT LOCATED ON THE UPPER RIGHT PART OF YOUR GINGER BUT SOMETIMES THE CLIENT CHANGES IT WITHOUT CAUTION. SO AS MUCH AS POSSIBLE FINISH YOUR TASK WITHIN 6-12 HOURS, IF IT IS NOT POSSIBLE FOR YOU TO FINISH THE TASK WITH THE SAID TIME, JUST LET IT EXPIRE AND YOU CAN STILL RECOVER YOUR WORK..

1. Never Leave Stucked Tasks before you rest/sleep during **DEADLINES**, set your Ginger to Manual. You can check a project's deadline date here:

2. **Never** submit/**AUTOPASS** unedited/unreviewed tasks.

Let me know you're done:
