

Application to be an Online Learner

Learning online requires you to be motivated, independent and organised. You have to be able to manage an online environment, including a range of online tools. You will need to learn to communicate with your teacher and classmates by email, texting and Google Meet or Zoom. Find out more about being an online learning and about the courses available by going to [Journey](#) or [NetNZ](#) or emailing Miss Bedward bd@ashcoll.school.nz

Learning online will help you grow as a learner and prepare you for future learning.

Please complete the following application and return to Miss Bedward in the T7.

Name	
Ako group	
Date of Birth	
NSN	
Mobile number	
School Gmail address	
Subject and Level	
Explain how you reach the prerequisites for the subject.	
Explain why you would like to be an eStudent and why we should consider you as an online learner.
