- Time to rejoice and celebrate, because season 4 of My Little Pony Friendship is Magic has been announce... technically.

- Recently Daniel Ingram the songwriter for My Little Pony Friendship is Magic has posted up his credits to things he have worked on at his website. The most interesting thing was his work on My Little Pony, in his musical credits he wrote down “My Little Pony Friendship is Magic Season 1 – 4 (91 x 22 Min episodes)”

Season 3 will end with 65 episodes in total, according Daniel Ingram’s resume he has work on 91 episodes of My Little Pony. By doing some basic mathematics $91 - 65 = 26$. This would mean that season 4 will have 26 episodes in total.

- Recently the Mane6 Theme got a Cease & Desist letter from Hasbro’s lawyers, the theme have to stop all of their works and take down all of their content off their websites.
- They are currently attempting negotiations with Hasbro for the continued use of the property in their non-profit, voluntary project. As for now they have not received an answer from Hasbro yet, so we may have to wait for a while.
