Dear \_\_\_\_\_,

This is the letter of termination of my housework contract with you. Your work was good. But, you are maintaining the gaps between the rocks and also you are maintaining the quality products for construction. I am giving the amount for all the materials but you are following the good quality.

So, this is the only reason for the termination with you for my house construction. If you want to know any information contact me at \_\_\_\_\_.

But, sorry for my termination of the contract with you. I too feel bad. But, you are not following my terms and conditions.

Thanking You.

Yours Sincerely,
