This amendment results in the reduction of 15.0 acres (0.21 c.f.s.) under this appropriation.

4. THAT the reason for this amendment is to describe those lands which have been historically irrigated and are currently being irrigated and to correct the records to agree with the actual situation on the ground.
5. THAT recording fee in the amount of \$50.00 accompanies the petition.
6. THAT a properly prepared map showing the actual situation on the ground accompanies this petition.
7. THAT the granting of this petition will not injure any other appropriators.
8. THAT consent will be sought from all affected landowners.

It is the prayer of your petitioner that a proper Order of the State Board of Control be entered to describe the lands under the Jonathan W. Doe Appropriation, as outlined in Paragraph 3 above, and that an amended certificate of appropriation be issued for the same.
