

PROTOTYPE PERK GUIDE

WHO IT'S FOR

Prototype Perks are our way of giving back to you guys and our community! We have been reaching out to local small businesses to see if they are interested in joining this program. Prototype as a gym does not profit from this; the only people benefitting are you guys and the small businesses! For each small business that joins, they offer a discount on their items to you and in return we promote their business!

HOW TO USE:

1

Show the business your perks card!

Scan the back of your card for the list of discounts!

2

3

Enjoy the discount!

Want to request a new Prototype Perk?! Email support@prototypetraining.com include business name and contact information.
