

Public Library Connect in Sora

Students AND staff/teachers can now follow this process to borrow public library titles in Sora.

1. In Sora, click the 3-bar menu (top-right) and click “Add a public library”.

2. Type Front Range Downloadable Library in the search bar and click “This is my library”.

3. Now search for title and click on Borrow. Sora will ask you to sign in. Click to Sign in.

4. Select your own **school district** (not the library) from the drop down.

The screenshot shows a web interface with the heading "Sign into your library" in blue. Below it is a dropdown menu labeled "Select your library" with a downward arrow. The dropdown is open, showing three options: "Boulder Public Library", "Boulder Valley School District" (which is circled in red), and "Broomfield Public Library".

5. Enter the same credentials used to sign in to Sora. (You won't need to do this after the first time signing in.)

The screenshot shows the "Boulder Valley School District" logo at the top, with the tagline "Excellence and Equity". Below the logo is a blue header with the text "Single-Sign-On Portal". Underneath the header is a login form with two input fields: a username field with a person icon and the placeholder text "username", and a password field with a lock icon, a series of dots, and a question mark icon. Below the password field is a link that says "Forgot Password?". At the bottom of the form is a blue "Login" button.
