

## Document-Based Question

Combine description of historical events with at least three sources, from [the packet](#) or pictures below, to **describe Gandhi's philosophy for social change and its success in the Indian Independence movement.**

Five aspects of historical thinking will be assessed:

- Thesis~one clearly stated main idea
- Evidence~accurately use at least three pieces of evidence
- Corroboration~directly state how the sources relate to each other and the thesis
- Historical context~directly explain how the historical context affects how you interpret the sources
- Sourcing~analyze how the type of document and/or the audience influences the content and/or the style of the document
