FIFA 20 Champions Cup - Youth Qualifier #3

Hello:

Thank you for participating in the eNorCal Champions Cup FIFA 20 Qualifier #3. We have now run a couple of these events so we are hoping they will continue to improve. I have tried to include as much information as possible on this email. Additionally, this information can be found on our event website <https://noralpremier.com/competition/norcal-esports/resource/apply-for-event/>.

Public Schedules

A link to the the public schedule and results pages can be found below:

[Schedule and Results](#)

You will notice we put some links at the top including the information for reporting your scores following each match. The winning team should report and in case of a tie the listed home team will report. **Please report your score immediately following your game.** A link for score reporting instructions can be found below.

[Directions for Reporting Scores](#) (Event ID and PIN are listed on the scheduling page link above)

Online Matches

You will use the gamertag (name after the club name) to find your opponent online. **It is very important that your Gamertag is listed correctly on your team name on the public schedule so your opponent can find you.**

In previous events, people that proactively added their opponents early were able to figure out problems well in advance of their match. It is recommended that you try to friend your opponents early so everything is ready to go.

For new players, we have set up directions for how to set up an online match below.

[Playing Online](#)

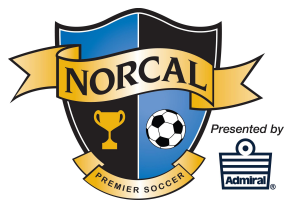

Communication Options

While we have set up times for each game, if both opponents agree, you may play the match early. Again, it may be a good idea if you have not played many games online before.

We have turned on the GotSoccer Chat feature in case you want to communicate with your opponent. The system will send them an email if you hit the "notify button" after posting your message in "chat." The GotSoccer chat feature also let's the Event Coordinator view and leave messages to help out with any issues. We will not be displaying any email or phone numbers so this will be the best and safest way to communicate if you need to get in contact with your opponent.

[GotSoccer Chat Instructions](#)

Players may also use direct messaging on Xbox or PS4 if they would prefer to use their gaming system.

FIFA 20 Champions Cup - Youth Qualifier #3

Game Mode Rules

The game mode rules can be found below. Please make sure you read through the rules and discuss with your player. There have been some slight modifications if you played in previous events.

[Rules](#)

I think that is it for now. Let me know if you have any questions or need any help with GotSoccer.

I will be monitoring email during the event times tomorrow (2:30pm-5:00pm). Reach out if you are having any issues and I will try to quickly help. It is also helpful if the email and phone number on file are reachable during the event so I can help you with any issues using our notification system in GotSoccer (sends email and text if you have SMS on).

This is a new style of competition for many players and NorCal Premier. Please be patient and let's all help each other make this a fun event!

Thank you,

Jason
NorCal Competitions Director
