

FC Barrington U9-U11 Bridge Program

U9-U11 Bridge Program: This program is for all players not quite ready to join our competitive program but are still interested in a more professional, consistent weekly training environment while still playing in our BASA recreational program. We will host a training session for players and info night for parents that will be run and overseen by our FC Barrington staff. We do not cut players from our U9-U11 Bridge program.
