At **Quick Impact Agency (QIA)**, transparency matters — not just in our mission but in how we use cookies on our website: <https://quickimpactagency.org> (the “Site”).

This Cookie Policy explains what cookies are, how we use them, and how you can control them.

1. What Are Cookies?

Cookies are small text files placed on your device when you browse websites. They help websites function properly, remember your preferences, and gather analytics on user activity.

Think of them as quiet assistants — they do their job in the background, helping us improve your experience without getting in the way.

2. How We Use Cookies

We use cookies **sparingly and responsibly** to:

- Understand how visitors interact with our Site
- Ensure core functions like navigation and form submissions work smoothly
- Improve website performance and content delivery

We do **not** use cookies for third-party advertising or invasive profiling.

3. Types of Cookies We Use

Type of Cookie	Purpose
Essential Cookies	These are necessary for the Site to function (e.g., form submissions, security layers). You can't opt out of these.
Analytics Cookies	Help us track anonymous usage statistics to improve the Site's design and functionality. (We may use privacy-conscious tools like Plausible, Matomo, or similar.)

Preference Cookies	Remember language settings, layout choices, or your previous actions on the site (if any).
---------------------------	--

4. Cookies We Do Not Use

- ✓ No advertising cookies
- ✓ No third-party behavioral tracking
- ✓ No social media tracking pixels
- ✓ No monetized cookies or data selling

We're here for impact, not intrusion.

5. How to Control Cookies

You can manage or disable cookies through your browser settings at any time. Here's how:

- **Chrome:** [Settings > Privacy and security > Cookies and other site data](#)
- **Firefox:** [Settings > Privacy & Security > Cookies and Site Data](#)
- **Safari:** [Preferences > Privacy > Cookies and website data](#)
- **Edge:** [Settings > Cookies and site permissions > Manage and delete cookies](#)

Blocking some cookies may impact your experience on our Site, but we aim to ensure a functional and user-friendly experience regardless.

6. Updates to This Policy

We may update this Cookie Policy from time to time — for example, to reflect new tools, updates in law, or changes in how we handle analytics. When we do, we'll revise the "Last updated" date.
