

Hello,

Thank you for taking the next step in your study of Module 2. If you are reading this, it means that you have decided to study more either by yourself or with your parents. Below is a list of things to help you on your journey through these lessons. Again, these are **NOT** things you do before our time together. The resources here will help you seek to know more about who God is or help answer some of the questions that you might still have. Enjoy your study!

1. Bible Project Videos
 - a. [The Birth of Jesus](#)
 - b. [The Baptism of Jesus](#)
 - c. [The Crucifixion of Jesus](#)
 - d. [The Resurrection of Jesus](#)
2. Pick one of the gospels and slowly read through it. Write down what you learn about Jesus.
