I have created six Fully **responsive** frontend websites with the help of **html** , **css** , **bootstrap** and basic **js**.

Here are the **links** for the same:

1. https://e-foodbyrax.000webhostapp.com/
2. https://alumnisystembyrax.000webhostapp.com/
3. https://earbotbyrax.000webhostapp.com/
4. https://tutorpointbyrax.000webhostapp.com/
5. https://e-learnbyrax.000webhostapp.com/
6. https://opexxbyrax.000webhostapp.com/
