Ready to make a real difference?

We're looking for one part-time Speech and Language Pathologist (SLP) for 20 hours a week.

- **Hourly Pay:** \$35-50 per hour
- **Vacation:** 4% vacation pay
- **Benefits:** Option to enroll in our Group Benefits Program (extended health, dental, AD&D, and life insurance)
- **Professional Development:** Financial assistance for professional development
- **Paid Time Off:** Paid time (i.e. stat holidays) and paid work events
- **Team Environment:** Collaborative multidisciplinary team setting

Where & When You'll Work:

- You'll be at our Mississauga Center. If you are open to working across our Hamilton and Mississauga locations, this is considered an asset.
- Hours are Monday-Friday 9 AM - 7 PM, and Saturdays 9 AM - 1 PM. You can pick up extra weekend hours if you want!
- This is a 12-month contract with guaranteed hours.
- We need you for at least 6 hours across 3 days a week. Weekday availability between 4 PM - 7 PM is a huge plus!

Who We Are (ACTN):

- We're an interdisciplinary therapy center helping children, teens, and adults in the Hamilton, Peel, Halton, and surrounding GTA/GHA areas.
- Think of us as a hub - for ABA, Speech, OT, Psych services, Psychotherapy, Music Therapy, and Caregiver Support.
- We're growing fast and love to collaborate!

Why You'll Love Working Here:

- Meaningful work with opportunities to collaborate, work alongside a supportive, growth-mindset team and embark on a variety of internal and external professional development opportunities.
- Work with awesome multidisciplinary pros like Behaviour Analysts, Psychologists, and Occupational Therapists.

ALWAYS CONNECTED
Treatment Network

- Flexible work arrangements.

What You'll Be Doing:

- Working directly with clients (1:1 or in groups) to help them increase, strengthen and/or decrease behaviours.
- Conducting assessments and creating intervention plans.
- Tracking progress and providing evidence-based services.
- Working with caregivers through training, consultation, workshops etc.
- Regular communication with caregivers, the clinical team, and other supports about client progress.
- Collaborating with the interdisciplinary team through attending or presenting meetings, training and workshops

What You Need:

- Must be a member of the College of Audiologists and Speech-Language Pathologists of Ontario and in good standing.
- 1 year of experience working with individuals diagnosed with Autism Spectrum Disorder and working with neurodiverse populations is **required**; pediatric experience is a bonus!
- Proficient English communication skills (both talking and writing). French is considered an asset.
- Be engaged & compassionate - especially parents/guardians and children
- Be a team player!
- Be resilient, eager to learn, and ready for new challenges.

Other Stuff:

- Vulnerable Sector Screen (within the last year).
- Professional Liability Insurance (within the last year).
- First Aid/CPR C is nice to have.
- Behavior Management Systems (BMS) Training is also nice to have.

Ready to jump in?

Send your resume and application to our Executive Director, Sarah:
info@alwaysconnectedtn.ca

We appreciate everyone's interest, but we'll only be reaching out to candidates selected for an interview.

A little bit more about us:

At ACTN, we're all about diversity, equity, and inclusion. We believe a diverse team makes us stronger, and we're committed to making our recruitment process accessible to everyone. We also respectfully acknowledge the traditional treaty lands we work on in the Region of Peel.

Connect with us online and see what we're all about!
