We, the authors, hereby affirm our commitment to integrity and ethics in scientific writing and publication. We hereby state the following:

- 1. Originality and Validity:** The article we have submitted to Heritage of Nusantara is our original work, free from fabrication, falsification, plagiarism, duplication, fragmentation, and copyright violations of data/content. This article has not been previously published elsewhere.
- 2. Exclusive Publication:** Currently, our article is not under consideration for publication by any other journal, and we will not submit it to another journal for evaluation before receiving the assessment results from this journal.
- 3. Legal Compliance:** Our article does not contain statements that violate the law, defame, or include any material that breaches the ethics of scientific publication. We have made efforts to ensure that all content in the article complies with applicable ethical and legal norms.
- 4. Disclosure of Conflicts of Interest:** We honestly disclose any conflicts of interest that may affect the research results or perspectives presented in this article.
- 5. Proper Source References:** We have correctly identified and referenced the sources used in this article.

We respect the scientific integrity and the author's responsibilities in scholarly publishing. We are ready to collaborate in the review and revision process in accordance with Heritage of Nusantara journal's guidelines and policies.
