

Privacy Policy - AI Pro Market Signal Application

This application AI Pro Market Signal is a financial analysis tool that provides buy/sell signals using artificial intelligence and technical indicators. Additionally, users can disable the AI and use open-source indicators within the app to make their own decisions.

Information Collection and Use

This app does **not collect, store, or share any personal data** from users.

- No account registration is required
- No personal information is requested
- No user data is stored on external servers

All operations are performed locally on the device, except for market data retrieval.

Internet Usage

The app may use an internet connection to:

- Retrieve financial market data
- Update analysis results

No personal data is transmitted during this process.

Financial Disclaimer

This application is provided for **informational and educational purposes only**. It does not constitute financial, investment, or trading advice.

Users are solely responsible for their investment decisions.
The developer assumes no responsibility for any financial losses.

Third-Party Services

This app does **not use third-party services** that collect user data.

Security

Since no personal data is collected or stored, there is minimal risk regarding user privacy.

Changes to This Policy

This Privacy Policy may be updated in the future. Any changes will be reflected on this page.
